EURO PLAZA Vienna

EURO PLAZA in Vienna is continuing to grow and will soon be the biggest in its class. Steel, glass and aluminium facades, which radiate elegance and transparency in equal parts, are complemented by a spacious atrium in which numerous seating arrangements between arcades and lawns provide ideal surroundings for relaxation. Inside the building, a prestigious foyer leads to the individual offices. The EURO PLAZA combines work and leisure, comfort and service with modern architecture and innovative design right in the centre of Vienna.

Features

The technical standard of the EURO PLAZA office complex is currently the highest in Vienna.

The combination of modern architecture and elegantly designed facades with external sun screens, false floors, suspended ceilings, chilled ceiling panels, individually controlled ventilation, and an open-plan concept for flexible usage in the centre of Vienna has attracted well-known companies, for example, Asfinag, AT&S, Danone, EMC, Hewlett-Packard, Kapsch AG, L'Oréal, Microsoft, Schering, Steelcase, Strauss & Partner, and many others.

Function chilled ceiling panel INDUCOOL

INDUCOOL cools with air and water. Most of the thermal energy is removed quickly and economically by cooling water. High-quality air diffusers ensure a high degree of comfort and optimum air distribution.

System advantages

- Greater thermal comfort with low air velocity
- Chilled ceiling panels require only 5-10% of ceiling area
- Reduced energy costs by exploiting the cooling potential of outdoor air
- High cooling capacity, up to 500 W/m
- Integration of cooling panels into all common ceiling systems
- A full-surface cooling-water system is not required

Building:	EURO PLAZA, Vienna
Architects:	Neumann + Partner, Vienna
Proprietor:	KAPSCH Immobilien GmbH, Vienna
Project development: Property developer and project manager	Strauss & Partner Immobilien GmbH, Vienna
Consultant, building services:	Scholze Ingenieurgesellschaft mbH, Stuttgart / Dresden / Vienna

Construction phases 1-4 and Wienerbergstrasse building

Gross surface area:	128,000 m ²
Scope of order:	13,200 rm. INDUCOOL chilled ceiling panels
	4,500 rm. INDULType V45 linear diffusers
